

UPRIGHT DISPLAY FREEZER

MODEL	IVF-M1307V-K	IVF-M1907V-K
Volume (L)	760	1170
Product Category	Upright Freezer	Upright Freezer
Product Dimension (mm)	1220*650*1930	1830*650*1930
Temperature	≤-18°C (25°C, 60%RH)	≤-18°C (25°C, 60%RH)
Weight (kg)	220	270
Shelf	Standard five layer wire mesh shelf (without lamp), adjustable height	
Lamp	LED 18W*2	LED 18W*4
Lower Front Cover Color	Optional	
Glass Door	Electric heating double-layer hollow coating toughened glass external sliding door	
Number Of Door	2	3
Side Panel	Mirror, hollow optional, 80mm thick (including side anti-collision)	
Base Foot	Adjustable height	Adjustable height

PRODUCT CHARACTERISTICS

- Multi partitions, large volume, all-round display
- Shelf height can be adjusted at will
- High efficiency evaporator, energy saving and high efficiency
- Precise temperature control by microcomputer makes the system more energy-saving
- The unique air curtain design makes the refrigeration faster and stable
- Products suitable for supermarket storage requiring cold storage
